

As a family-owned funeral home, we are committed to supporting every family we serve by providing meaningful and dignified services. We will never compromise providing a dignified funeral service due to finances, as we are able to offer alternatives and options for every service.

We are also committed to treating every family we serve fairly and equally. We are humbled by the privilege to serve you and sincerely appreciate your confidence entrusted to us.

For your convenience we offer the following payment options which may be combined to satisfy the payment:

*Full payment is expected prior to the funeral service.*

- 1. Cash or Check**
- 2. Automated Clearing House (ACH):** Electronic fund transfer made between banks using account and routing numbers. No fee associated with using ACH.
- 3. Credit card:** We accept all major credit cards. Credit card payments will be charged a 2% convenience fee.
- 4. Life Insurance Assignment:** We cannot accept policies that are not verified, under 2 years old that are contestable, or any work-related policy that cannot be assigned. We use *C & J Financial, LLC* to process all of our assigned insurance policies. Their processing fee is 3.98% and will be paid from the insurance proceeds.

**Estates:** We do not invoice estates due to the uncertain time frame. In cases where the decedent's estate must stand the burden of paying the funeral expenses, we ask the family representative(s) to pay the funeral expenses and file a claim or reimbursement from the decedent's estate.
